

Note from the translator, Mark Hathaway:

I hope you find this translation of the Lord's Prayer as delightful as I did. It is unusual in that it is translated directly from Aramaic as opposed to the traditional method, which is first translated into Greek from Aramaic, and then translated into Latin, and then into English.

The Lord's Prayer

O Cosmic birther of all radiance and vibration!

Soften the ground of our being and carve out a space within us where your presence can abide.

Fill us with your creativity so that we may be empowered to bear the fruit of your mission.

Let each of our actions bear fruit in accordance with our desire.

Endow us with wisdom to produce and share what each being needs to grow and flourish.

Untie the tangled threads of destiny that bind us, as we release others from the entanglement of past mistakes.

Do not let us be seduced by that which would divert us from our true purpose but illuminate the opportunities of the present moment.

For you are the ground and the fruitful vision, the birth power and fulfilment as all is gathered and made whole once again.

So Be It
