Is my Oversoul in shock? YES/NO. If yes, how much is it affecting me? Check %
For both items ask: "Please clear, remove/transmute all shock and heal, harmonise and balance all aspects of my Being and download optimal gold and magenta light."
OVERSOUL INTERFERED WITH/OVERSOUL TAINTED - clearly some overlap. Even if interfered with long ago may carry sense of taint. Check when happened. Dowse for interference, including obfuscation (enclosure in some form of obstruction), implant/device attached, curses, feeling of being ignored, malign fibre optic beam directed at Oversoul, etc. May need help from Guardian Angel/Archangel, Higher Being or Elohim. Ask which.
