

WE ARE THE NEW CIVILISATION

We are here.

We are waking up, now, out of the past, to dream a bigger dream.

We are friends and equals; we are diverse and unique and
we are united for something bigger than our differences.

We believe in freedom and co-operation, abundance and harmony.

We are a culture emerging, a renaissance of the essence of humanity.

We find our own guidance, we discern our own truth.

We go in many directions and yet we refuse to disperse.

We have many names; we speak many languages.

We are local; we are global.

We are in all regions of the world; we're everywhere in the air.

We are the universe being aware of itself; we are the wave of evolution.

We are in every child's eyes.

We face the unknown with wonder and excitement.

We are messengers from the future living in the present.

We come from silence and speak our truth.

We cannot be quieted because our voice is within everyone.

We have no enemies; no boundaries can hold us.

We respect the cycles and expressions of nature because we are nature.

We don't play to win; we play to live and learn.

We act out of inspiration, love and integrity.

We explore; we discover; we feel and we laugh.

We are building a world that works for everyone.

We endeavour to live our lives to their fullest.

We are independent, self-sufficient and responsible.

We relate to each other in peace, with compassion and respect.

We unite in community.

We celebrate the wholeness within and around us all.

We dance to the rhythms of creation.

We are weaving the threads of the new times.

We are the New Civilisation.
